Deering Apportionment Study Committee
Meeting Minutes
December 8th, 2021

Meeting called to order @7pm

In attendance:

Katie Lavoie, Jill Smith, Lisa Mullen, Mike Mullen, Bill Whisman, Lou Ellen Beard, Elizabeth Kirby and Chris Bober

Katie presented an overview of her phone conference with James OShaunessey and the good news is he was impressed with the amount of research we have done. He however, is already contracted by the school for a case so he would be unable to assist us at this time. He did agree that calling a special meeting and vote would be the first step. Discussion about the urgency of trying to get this done for this year's warrant, it was agreed that time is too short to put it altogether. We totally fall under the RSA 195:14 alternative Apportionment as far as moving forward.

Katie reported that the Zoom meeting was a waste of time with the Hillsboro board.

Katie will continue the search for a local attorney

Next meeting will be on January 5th, 2021 @7pm

Meeting adjourned @7:30pm

Respectfully submitted,
Lou Ellen Beard
