Subject: Monthly Report

This month's report will cover the period from 1 January to 31 January 2010. The Deering Fire and Rescue responded to 22 calls during the month.

All apparatus is in service at this time.

Firefighter Byron Aubrey has resigned from the Department for personal reasons.

Firefighter Bill Bannister has successfully completed his Basic Level Emergency Medical Technician class. Several other members who were due for recertification have also completed their bi-annual practical exams.

With the beginning of the New Year we have decided to have at least one training session for Fire and one for EMS each month. Acute Coronary Syndrome was the EMS training for January. The topic was instructed by Lieutenant Cindy Gidley.

For Fire Training we watched a video that was produced and distributed by the New Hampshire Fire Academy. The presentation recounts the events of a building fire that occurred last year in Durham that nearly claimed the lives of four Newmarket Firefighters.

Since the recent months have reflected an increase in Mutual Aid requests for our Ambulance, I have created an additional call summary that specifies our medical responses for each month.

The Fire and Rescue Call Summary, Ambulance Call Summary, and Apparatus Report for the month of January are attached.

Respectfully Submitted,

Chief Andy Anderson
Deering Fire and Rescue
