

MONTHLY REPORT**JUNE 2010****NEWS:**

1. Impala Cruiser is together, with exception of a few minor "punchlist" type items.
2. Intern William Richards has completed his Internship Requirements. In addition to learning patrol and investigative procedures, he assisted Department with several projects, such as moving office spaces around, creating road lists, Radar traffic surveys, and in his final days, getting down and dusty by removing vinyl striping from CrownVic to help prepare it for disposition.
3. The PD with T.A. Ohlson and Animal Rescue League conducted search warrant for Animal Cruelty case.

TRAINING:

1. Department Training in firearms, specifically in basic patrol rifle manipulation for Kraus & Censabella, as well as transition drills.
2. Roll Call Training in Standard Operating Guidelines/General Orders for Parking Enforcement with emphasis on the education aspect of the new Parking Sticker program at the Beach/Boat Launch area.
3. Probationary Officer Kraus continues Field Training. She needs continued work in some basic areas before moving on to more specific Field Training tasks.

GRANTS:

1. Speed Enforcement Grant 2010 / Highway Safety Grant Programs: we continued to work Speed Grant shifts in June, though speeds are continuing to rise with the onset of summer, school graduations, and higher traffic volumes.
2. DWI Enforcement Grant 2010 / Highway Safety Grant Programs: We continued to work DWI Grant Patrols in June.
3. Statewide DWI Hunter Grants 2010 / Highway Safety Grant Programs: We again took part in the first weekend of this statewide DWI enforcement effort on June 11 and 12.
4. Primex P3/ LGC WELLdollars Programs: I looked into these programs, but have not yet figured out a way to use these grants for projects I had hoped. They probably would have paid for some exercise equipment, but we have no place to start building a "gym."

ACTIVITY REPORT:

Calls For Service Logged: 429

DPD Call Outs	10	(criminal complaints, suspicious activities, civil issues, non-criminal complaints, informational, assists to person and to other agencies, dog complaints, parking complaints, etc.)
NHSP Call Outs	4 reported	(property/alarms, rescue calls, suspicious activities, mv complaints) NOTE: I could only find evidence in the logs that they responded in any manner to one of these calls, and on that call they said they were tied up and couldn't come, so Hillsboro was called.
