

**MONTHLY REPORT****MAY 2012****NEWS:**

1. We have 5 Cadets from Explorer Post #612 registered to attend the NH Police Cadet Training Academy during the last week of June!
2. Due to a crash, we are down a cruiser. This is causing significant hardship to the PD at various times.
3. In addition to a Sexual Assault case that occurred in Deering (see arrests below), we took an initial report and interviewed victims in another complaint, learning that this other offense actually occurred in Hillsboro. HPD is continuing this investigation.

**TRAINING:**

1. One of our two scheduled training dates was canceled so Officer(s) could attend the Funeral Services for Greenland Police Chief Mike Maloney.

Still have a couple more officers on one or the other. We need to start actual firearm "training" (different than qualifications).
3. Annual OC Pepper Spray & Pepperball Training: The Department (all but one who couldn't make it) were certified in the use of the Pepperball Launchers, and also received their annual OC Pepper Spray recertification at the same time.
4. Capt. Cavanaugh was recertified as a Breath Test Operator.
5. Several officers have training scheduled in house, at the academy, and outside the academy during June.
