

**MONTHLY REPORT****May 2016****NEWS:**

1. Post 612 Explorers won 2<sup>nd</sup> Place in Annual Cadet Challenge Weekend Competition!!
2. Chief Pushee and Advisor Hargreaves sponsored the Building Search portion of Annual Cadet Competition.
3. We are being assisted by the NH State Police Troop B Detectives while investigating a very serious incident that occurred near the end of May.
4. As previously discussed, the Town seems to be victim of a rash of MV Crashes, many of which can only be defined as speed and/or alcohol-drug related issues. Theories are that reduced patrol times due to administrative loads, criminal investigations, and in a large part due to the loss of many dedicated Highway Enforcement Grant patrol hours, may all be playing a part in this year's increase.

**TRAINING:**

1. We had to cancel range training due to extreme heat/humidity for the time we had scheduled. Were not able to reschedule yet due to vacations and part time officer's schedules.
2. Chief Pushee and Capt. Cavanaugh were certified in Narcan Administration. Officer Bell will take this class in June.
3. Chief Pushee attended the annual NH Highway Safety Seminar and Training, attending a session on Teen Drivers, DUI Issues, and the Heroin Epidemic.
4. Officer Bell attended a three day class and was certified as a Breath Test Operator. (he had been certified many years ago, but this had lapsed)
5. Capt. Cavanaugh and Officer Bell attended a Fire Dept. training session sponsored by Eversource regarding response to emergencies involving electrical concerns.

**GRANTS:**

1. FY2016 NH Highway Safety STEP Grant: We received final approvals on this grant, and are continuing to work these.
2. FY2016 NH Highway Safety DWI Grant: We received final approvals on this grant, and are continuing to work these.
3. FY2017 STEP & DWI Grant Programs: I previously submitted my grant applications for the federal fiscal year 2017 (Oct 2016 through Sept 2017). Recently I was advised by NH Highway Safety that they needed me to re-submit to a lower threshold of funding. I made the requested adjustments to the patrol plans.
4. FY 2016-2017 OHRV Patrol Grants: We have not heard about this funding possibility yet.

**JUVENILE ACTIVITY:**

1. We referred a Drug Case to the Juvenile Court in May. This involved possession/use at the Alternative School.
2. We are investigating a teen "sexting" issue involving a Deering youth, but are strongly considering sending this through diversion, assuming the issue as we are currently aware of it does not grow into something more involved once forensic analysis of the electronic communication devices used.

**ACTIVITY REPORT:**

Calls For Service Logged:	389	(this does not include many vacant home checks which are now counted separately in the new system)
