

MONTHLY REPORT

October 2006

NEWS:

1. Explorer Post 612 worked several Community Relations and Community Service Details (Washington Historical Society Barn Dance, three separate Halloween Night details, etc.).
2. Ofc. Murphy went on her own time to help out with University of Exploring weekend at Fire Academy in Concord.

TRAINING:

1. Ofc. Murphy continues in Field Training.
2. Ofc. Murphy attended "warrants and complaints" class at PSTC
3. Chief Pushee recertified as Intoxilyzer Operator.
4. Department went through "Simunitions" training day sponsored by LGC.

GRANTS:

1. Citizen Corps Grant: We have received shipments on a \$1,500.00 order for equipment for the Explorer Post, to include "magcharger" lights, traffic vests, and jackets. We still need to have them screenprinted/embroidered at our expense.
2. ZOLL AED: Received 2 sets of pads & battery packs for the AED's, at a value of about \$500
3. 2006 Homeland Security: Although the "focus" of the HS grants has changed to mostly "cooperative" programs, I did apply for base station/mobile radio and a 4WD Utility OHRV. Also we are on a statewide "information sharing" grant under 2006 H.S.
4. CAR 54 Project: I have spoken to administrator of this grant, and Deering PD is currently 6th on the list to receive the grant. I spoke to them about the PD planning to keep the 2003 CVPI for another 2 years, and they agreed to add a third vehicle outfitting to the grant for us. This grant will outfit each cruiser with \$11,000 to \$12,000 worth of emergency equipment. We should "come up" on the list sometime early 2007, so we should be able to outfit the new equipment directly into the new cruiser, saving some "upfit" moneys. (I have already sent Budget Committee a message on this issue).

ACTIVITY REPORT:

Calls For Service Logged:

291

Henniker with investigation, rescue assists, accident, death notification, alarms (3), loose horses in road, wires-road hazards (3), disorderly conduct-noise (2), threatening, juvenile problems (3), welfare check, ass. Hillsboro with stabbing investigation).
