

MONTHLY REPORT

OCTOBER 2007

NEWS:

1. Ofc. Schulte has started his Field Training, and because of his past experience, this is more of an "acclimation period" than a training period. Still waiting for the answer in regards to "Law Package" Certification.
2. Part-Time Position: our applicant was asked to withdraw based upon Polygraph Examination findings. We are testing and will be scheduling interviews for new applicants.

TRAINING:

1. Chief Pushee attended training on Force Policies and Vehicle Pursuit Policies on November 1st. This class was paid for by Primex3.
2. Chief Pushee was re-certified in administering the Intoxilyzer 5000 breath tests on November 2nd.
3. Captain Cavanaugh and Ofc. Schulte scheduled to attend Domestic Violence Update training in Henniker on November 7th.

GRANTS:

1. Highway Safety: the annual budget year for NH-HSA should be opening soon, and I intend to apply for overtime patrol grants again.
2. Homeland Security: I was not able to spend the time necessary to plan and prepare a 2007 Homeland Security Grant application, though as our communication needs have been deemed met previously, we don't have "want lists" that match the current homeland security grant programs.
3. State Terrorist Protection Program: this grant should be coming up soon. I may try again for an OHRV, although this has previously been denied.

ACTIVITY REPORT:

Calls For Service Logged:

273
