RSA 466:-Procuring License; Tag

Every owner or keeper of a dog 4 months old or over shall annually, cause it to be registered, numbered, described, and licensed for one year in the office of the clerk of the city or town in which the dog is kept, and shall cause it to wear around its neck a collar to which shall be attached a metal tag with the following information thereon: the name of the city or town, year of issue of license and its registered number. The tag and license shall be furnished by the clerk at the expense of the city or town. Regardless of when the license is obtained, the license shall be effective from May 1 of each year to April 30 of the subsequent year.

RSA 436:100-Rabies Vaccinations

Except as provided in paragraph II, every dog, cat, and ferret 3 months of age and older shall be vaccinated against rabies. Young dogs, cats, and ferrets shall be vaccinated within 30 days after they have reached 3 months of age. Unvaccinated dogs, cats, and ferrets acquired or moved into the state shall be vaccinated within 30 days after purchase or arrival, unless under 3 months of age, as specified above. Every dog, cat, and ferret shall be revaccinated between 9 and 12 months after the initial vaccination and subsequently receive booster vaccines as outlined in the most current National Association of State Public Health Veterinarians' Compendium of Animal Rabies Prevention and Control. In rabies infected areas, dogs, cats, and ferrets recently vaccinated shall be kept under control for at least 30 days before being allowed to run free.
