

Town Common Committee
Minutes of July 25, 2018

Present: Aaron Gill, Bob Compton, Tom Cummings. Ray Petty, Bryan Terry

Mr. Compton opened the meeting at 6:30 pm at the Hotel lot bandstand structure.

Mr. Compton described the progress of the building project to date.

-Discussion followed about the possibility of including the electrical phase costs based on the current budget and spending projections for the project. Mr. Compton said that the project was running under budget and there might be room to include the electrical installation including: Eversource hook up from the pole to a meter socket location and burial from the meter socket to an electric panel near the structure.

-Mr. Petty reported that he had begun discussions with the Henniker Rotary Club about a possible financial "donation" from them toward the Bandstand.

-Mr. Compton brought up an idea for discussion that the members of the Town Common Committee might be good candidates for the Town of Deering Heritage Commission in order to continue the Town Common Committee's Master Planning agenda. Mr. Compton reported that the Heritage Commission hasn't been really functional for some years. Mr. Gill agreed. All members agreed to think about the proposal for discussion at the next meeting.

The meeting was adjourned at 7:20 p.m.

Respectfully submitted by
Bob Compton
