9   Others Present: Abutters and persons interested in Case No.: 2018-01. Attendance was  
10 not take.  
11

12   The meeting convened at 5:00 p.m. on East Deering Road at the property in Case No.  
13 2018-01. Chairman LeFevre made an announcement to the persons present that the  
14 Applicant had sent a letter to the Town withdrawing the requested variances, and  
15 therefore, the meeting had been administratively cancelled.  
16

17   The persons in attendance expressed a variety of concerns relative to the ability of the  
18 Applicant to withdraw the Application at this time, after the Board had commenced its  
19 deliberations, and their general belief that the Applicant should not be able to withdraw  
20 without prejudice, but rather, the withdrawal should be with prejudice.  
21

22   Chairman LeFevre indicated that if there was a belief that an error had been made of  
23 some kind, it was incumbent upon the abutters or others aggrieved to file a Motion for  
24 Rehearing with the Board which explained every reason why they believed the Applicant  
25 should not be able to withdraw the Application without prejudice.  
26

27   Adjournment: There being no further business, Chairman LeFevre adjourned the meeting  
28 at 5:15 p.m.

30   Respectfully submitted,
