

Cemetery Trustees Meeting Minutes

April 13, 2023

Present: Kay Hartnett, Barbara Brooke, John Reynolds, guest: Cora

Call to order 6pm

Discussion of cemetery software. John Reynolds presented some options including contracting Rick Stoye who could possibly build the software that we need. John will invite Rick to our next meeting on May 8.

Discussed the possibility of a "Cremation Wall" like the one in the Goffstown cemetery. We will need to do something as we run out of room in our two remaining open cemeteries.

Discussed if there should be different signs for private cemeteries, regarding who maintains them.

The trustees voted to appoint Cynthia Krill as a trustee, and Kay Hartnett as chair.

Next meeting set for May 8 at 6p at town hall.

Meeting adjourned 7pm
