Deering Apportionment Study Committee
Meeting Minutes
January 25, 2022

Meeting called to order @7pm

In attendance:

Committee members present Katie Lavoie, Lou Ellen Beard, Bill Whisman, Jill Smith, Elizabeth Kirby, Absent Lisa and Mike Mullen, Julius Peele TA and Chris Bober in the audience

Katie brought up that the committee report for the town report was due, we all worked together to compile the details of the report. Katie will proofread and email to Julius before the deadline.

The committee had also been informed that we needed basic bylaws as required by the town to operate as a committee. The bylaws were created and agreed to and will be on file in the town office.

Julius Peele also advised the committee that we all needed to be sworn in and will make arrangements for that to happen at the next meeting.

The committee discussed the RSA 195:14A Apportionment adjustment and the presentation for the public information meeting to be held on May 11th. Jill has agreed to help Katie put this together and the committee will review it when completed. There was discussion about how best to present the information, we all agreed a projector and screen would be best. We also agreed that a handout would be beneficial.

Katie made a motion to appoint Jill Smith as vice chair and all were in favor.

Next meeting will be held on February 15, 2022 @7pm in the Deering Town Hall.

Respectfully submitted,

LouEllen Beard
