

Town of Deering
Town Common Committee
Minutes of July 26, 2017

Meeting called to order at 6:15pm

Members present: Tom Cummings, Ralph Lachance, Bryan Terry, Ray Petty, Bob Compton.

- The Committee members walked over to Gregg Hill Road and discussed the siting of a possible structure, like a rectangular bandstand.
- A dug well and possible future water source was located at the northeast corner of the lot.
- More discussion about electric burial and distances
- More on-site discussion about using large granite pieces as places to sit as well as a safety barrier for vehicles and people toward the end of Gregg Hill Road and Rte. 149.
- Discussion about the siting of the parking area, water spigot, and possible future rest room facility.

The Committee walked to a place behind the Town Garage to view an artifact from the old ski area at Carew's Hill.

The Committee returned to the Town Hall and discussed the upcoming Town-wide barbecue on Labor Day weekend and ways to present some ideas to the public.

- Dates were set for meetings up to November
- A timeline was discussed for deadlines for the presentation to Selectmen and public hearings if the Selectmen desire a Town Warrant Article for March 2018.

Meeting adjourned at 7:30pm
